## SKILLS

### Full-Stack Web Development

Next.js, React, TypeScript, Tailwind CSS, ShadCN  
Supabase, PostgreSQL Authentication (Supabase  
Auth) Deployment: Vercel

### Backend Development

REST API design, Database modeling, RLS policies  
,Authentication & Authorization, Real-time data with  
Supabase Realtime

## PROFESSIONAL EXPERIENCE

### E2E Software Engineer Intern, *ONETool Solutions, Inc.* 📄

11/2025 – 02/2026

Makati City, Philippines

- Designed, developed, and maintained service-oriented architectures (SOA) and object-oriented applications to support enterprise-level systems.
- Built and integrated RESTful and SOAP APIs.
- Developed backend and application logic using Java, JavaScript, and Node.js.
- Created and maintained UML and BPMN diagrams to document system design and business processes.
- Collaborated with cross-functional teams to analyze business requirements and translate them into technical solutions.
- Assisted in the implementation and support of SAP and ERP systems, contributing to enterprise process optimization.
- Actively participated in Agile/Scrum ceremonies, including sprint planning, stand-ups, and retrospectives.

## PROJECTS

**SumikAPP, OJT Management and Employability Prediction System**, *A web-based OJT Management System designed for National University – Dasmariñas to digitize internship tracking and document processing.*

SumikApp enables coordinators, students, and supervisors to manage OJT activities, e-documents, and real-time performance evaluation.

- Built using Next.js, Supabase, and Tailwind CSS
- Integrated Supabase Auth for secure authentication
- Developed modules for document submission, and coordinator dashboards
- Includes employability prediction model using machine learning based on OJT performance data

## CERTIFICATES

### Information Technology Specialist in HTML and CSS

Issued by Certiport Date: June 9, 2025

Validates skills in HTML fundamentals, CSS styling, and accessibility best practices.

### Information Technology Specialist in Databases

Issued by Certiport Date: June 26, 2024

Covers database design, object management, data retrieval, manipulation, and troubleshooting.

## EDUCATION

**National University - Dasmariñas, Bachelor of Science in Information**

08/2022 – 07/2026

**Technology with Specialization in Web and Mobile Application Development** 📄
